mnr-silver-halos said: Hello again sorry to bother but out of curiosity when do you think we will get episodes 5,9,10,&12 or atleast the Gabriel episode? Hi! Don't worry! You don't bother me at all! Well, according to some sources, the show has officially entered hiatus, the problem is that it's not known how long it will be... Although, if I'm honest with you, it seemed strange to me that so many episodes were released so often☺☺Our next hope is to hear something from Mundo Gloop, since next week they will premiere "Mr Pigeon 72" and each time an episode ends, they give a preview of the next episode they will premiere ... But, they would still be missing "Optigami" so, in my opinion, we will have to wait at least 2 weeks more for another new episode... Anónimo said: Hey there. Thank you!! ☺I always try to do my best because I know there are a lot of fans who don't like spoilers, and spoilers are sometimes very powerful!!☺ But on the other hand there are fans who like to know what is going to happen in the next episodes...so the big warning is the best way of do it☺Thank you so much for your comment!☺ Anónimo said: Do you know the order of the episodes in season 4? Nino will be akumatized again?Does it have something to do with this photo that Winny posted a few days ago?Will it be episode 5, which we haven't heard about yet? This is further confirmed in "Miracle Queen" after Ladybug takes the Bee Miraculous from Chloé for good after she sides with Hawk Moth, due to his manipulation. This will be the first season to be co-produced by Globosat and it will participate in the artistic development of the project.[21] Although Globosat's co-production begins with the fourth season, the credits for the third season also include Globosat. Like Season 3, this season will feature characters, such as Chloé, Luka Couffaine and Kagami Tsurugi, who will be akumatized again, but with different identities from those of previous occasions.[22] These identities being confirmed to be Queen Banana, Truth and Lies, respectively. Alya, Mylène, Juleka, Alix and Rose are re-akumatized into the previous forms this season.[23] Wang Fu is akumatized for the first time. According to Wilfried Pain there will be a new character from the future and Félix Graham de Vanilly will return.[31] The second official promotional poster for this season was made by Konrad Olchawa, a Polish freelance artist and a fan of Miraculous.[32] Season four was originally going to premiere in Fall 2020.[33] However, due to the COVID-19 pandemic, it was delayed.[34] This season will be the first to air on Disney+ as Netflix's contract with the show ends after the third season.
