31) Statement: No'rod is pod. No pod is flexible.
Inferences / निष्कर्ता:
 I - Ng rod is flexible. / कोई उड़ पासी लपेती नहीं है।
 II- Some pods are flexible / कुछ पासी लपेती हैं।
 A) Both of them follows. B) Only inference I follows.
 दोनों नाम्यता निष्कर्ता हैं। केवल नाम्यता | निष्कर्ता है।
 C) Only inference II follows. D) Neither of them follows.
 केवल नाम्यता II दोनों में से कोई नाम्यता निष्कर्ता है।

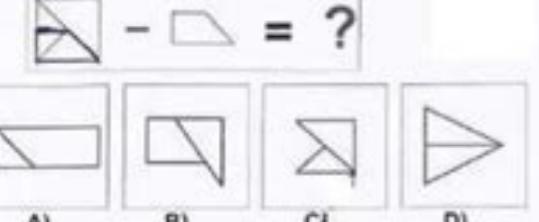

32) Statement / निष्कर्ता:
 A good book even if costly is sold out in no time.
 एक अच्छी पुस्तक महंगी होने पर भी जल्दी बिक जाती है।
Assumptions / नाम्यता:
 I: Some books are better than others / कुछ पुस्तकें अन्यों से बेहतर होती हैं।
 II: All good books are costly / सभी अच्छी पुस्तकें महंगी होती हैं।

A) Only I follows. B) Both I and II follows.
 केवल नाम्यता I निष्कर्ता है। और II दोनों निष्कर्ता हैं।
 C) Neither I nor II follows. D) Only II follows.
 न नाम्यता I और न ही II केवल नाम्यता II निष्कर्ता है।

33) If CUSTOM is written as UCTSMO then how PARENT will be written in the same code?
 यदि CUSTOM को UCTSMO लिखा जाता है तो PARENT को कैसे लिखा जाएगा?

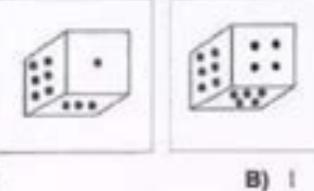

A) TNERAP B) RAIPTE
 C) ERAPTN D) APERIN

34) In the question one part of the problem figure is subtracted. Select the option that shows the correct shape by the subtraction.
 इस प्रश्न में प्रश्न आवृत्ति का एक भाग अलग किया गया है। ऐसा विकल्प चुनें जो अलग करने के बाद यह रूप दर्शाता है।

A) B) C) D)

35) Two position of dice are shown below. When three is at the top what number will be at the bottom.
 नीचे एक पासी की दो स्थितियाँ दर्शाई गयी हैं यदि ऊपर तीन हो तो नीचे काठ-ही संख्या होगी।

A) 5 B) 1
 C) 4 D) 2

36) If 'air' is called 'green', green is called 'blue', 'blue' is called 'sky', 'sky' is called 'yellow', 'yellow' is called 'water' and water is called 'pink' then what is the color of clear sky?
 यदि 'आइर' को 'हरा' कहा जाए, 'हरा' को 'गीला' कहा जाए, 'गीला' को 'आकाश' कहा जाए, 'आकाश' को 'पीला' कहा जाए, 'पीला' को 'मुग्धली' कहा जाए तो साफ़ आकाश का रंग क्या होगा?

A) Yellow / गीला B) Water / पानी
 C) Sky / आकाश D) Blue / गीला

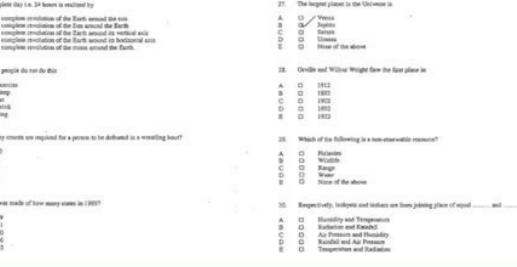

37) A piece of paper is folded and cut as shown below in the question figures. From the given answer figures, indicate how it will appear when opened.
 नीचे प्रश्न आवृत्ति में दिया गया अनुसार कागज को मोड़ कर कागज तथा खालने के बाद वह किस उत्तर आकृति जैसा दिखाएँ देंगे?

A) B) C) D)

38) If the words are organised in reverse order of what they appear in dictionary, which word will come in the third place.
 यदि शब्दों की वैज्ञानिक सूची के तात्पर है तब उसे उद्देश्य क्रम में व्यवस्थित किया जाए तो तीसरे स्थान पर कौन सा शब्द आएगा?

A) Eccelist B) Odium
 C) Odious D) Ordeum

Watson-Glaser style Critical Thinking

Full-Length Test - Managers, Professionals and Graduates Norms

This is a full-length practice test that follows the content of the Watson-Glaser Critical Thinking Appraisal.

Watson Glaser's Thinking Appraisal is designed to assess your verbal reasoning, critical thinking and judgment through logical evaluation of verbal arguments and the formation of comparisons, conclusions and interpretations regarding these arguments.

This practice test is designed to match the original Watson Glaser in structure of sub-tests and questions, style and level of difficulty.

There are 80 test items across the 5 sections of this test (16 each) –

1. Drawing inferences from facts
2. Recognition of assumptions
3. Deductive reasoning
4. Logical interpretation
5. Evaluation of arguments

GOOD LUCK!

 Practice Step by Step

 Start Timed Test

what's this? 

what's this? 

Directions (1- 5) what approximate value should come in place of question mark in the following questions? (You are not expected to calculate the exact value).

1. $33\frac{1}{3}\% \text{ of } 768.9 + 25\% \text{ of } 161.2 - 58.12 = ?$

- a) 230
- b) 240
- c) 235
- d) 220
- e) None of these

Answer (b) Explanation:

$$? = 33\frac{1}{3}\% \times \frac{1}{100} \times 768.9 + \frac{25}{100} \times 161.2 - 58.12$$

$$\Rightarrow ? = 256.3 + 40.3 - 58.12 = 238.18 \approx 240$$

2. $\frac{21^{5.36}}{21^{1.47}} = 21^{(?)}$

- a) 8.83
- b) 1.54
- c) 9.32
- d) 1.89
- e) None of these

Answer (d) Explanation:

$$21^{5.36-3.47} = 21^{(?)}$$

$$21^{1.89} = 21^{(?)}$$

$$\therefore ? = 1.89$$

3. $8^{1.3} \times 4^{0.6} \times 16^{0.2} = ?$

- a) 2.1
- b) 3.8
- c) 5.9
- d) 4.7
- e) None of these

Answer (c) Explanation:

$$8^{1.3} \times 4^{0.6} \times 16^{0.2}$$

$$= 2^{3(1.3)} \times 2^{2(0.6)} \times 2^{4(0.2)}$$

$$= 2^{(3.9+1.2+0.8)} \times 2^{5.9}$$

Kpmg nigeria aptitude test sample questions.

Here are a few guides on how to finish your test faster: Increase your reading speed: In this article, I introduce two techniques to step up your reading skill: trackers & pacers (use a pencil to follow through your reading) and perceptual expansion (focus on the middle words and your peripheral vision will take in the side ones). Improve your mental math speed: Math is one unavoidable element in the KPMG Online Test. Remember, the more you practice, the higher chance you have at passing the KPMG aptitude test. Step 4: Practice for the game-based assessment Although the game-based assessment is claimed to require no preparation in advance, it's still important to get familiar with the game principles. This will include situational judgment as well as verbal and numerical reasoning skills. Delivering Outcomes: This is a combination of situational judgement questions, written exercises and video answers. The questions are in the form of ranking preferences, choosing the most likely responses or providing the response in text. Like the previous section, the questions are based on a hypothetical work scenario. Try to get as many correct answers as possible as it will be reflected in your final results.. It contains grammatical questions in multiple formats such as multiple choice, fill-in-the-blanks, word arrangement. Knowing what you are up against is the first important step in your prep plan. After finishing this test, you will receive a Strength Report with practical advice on areas of improvement.KPMG Scenario-Based Assessment FormatThe KPMG scenario-based assessment formats vary from office to office, but in general it consists of three separate rounds as follows: Transforming Small Businesses: Candidates are provided with scenarios in the form of stories, articles, voice-mails and emails, to help form answers to the various questions. There are a total of 24 questions and you can spend less than one minute on question statistical data. domanda 1: Which nation has the highest percentage of investments in the public sector compared to total investments? France>Hermania> Italy>Spain>Asia Bassaukiquet 2: What percentage of investment in Italy comes from the public sector? Question 3: What is the relationship between Public Investments and private investments in Germany? Question 4: What is the total amount of public sector investments? 4.25 billion<4.50 billion<4.75 billion<5.25 billion<5.50 billion<10.75 billion<4.1 A 2.b 3.D 4.C verbal Ability Test measures candidates A & C™ Understanding reading and grammatical skills. The game used in this round varies from Office to Office, and the most common is KPMG Ready developed by Arctic Shores and Conify and Emotify from Revelian. Cognify and Emotify game-based evaluation at the same time KPMG offices, for example Australia, use cognify and Emotify game-based evaluations to measure your decision-making style, emotional intelligence, perception and understanding. Each has a limited time of 20-30 minutes. It will provide a total of 12-20 scenarios based on work in the form of texts and video clips, and a series of cognitive skills tasks. It is a mixed test format with more types of questions, including situational judgment and skills of verbal and numeric reasoning. You will have to use your common sense, and the evaluation of what it takes to excel in a professional environment to give appropriate answers to situational judgment applications. Measure cognitive and emotional intelligence based on candidates' C™ response and capacity to make decisions. You need to put a complete test together ekat-tset ekat-tset orev nu ni ezellobed ertsos el' Arettefif eratalumis led tset led otatuisir II.amirp ottaf eteva ol non ehc israruissa, eratalumis. Allowing you to assign the rest of your preparation time appropriately. This quota is expected to increase a further five percent over the next five years due to most market forces and a change in global policy in favor of renewable energies. The preparation of the labor test offers one of the best psychometric test collections found online, tailored to candidates who apply to large four companies, as well as the behavioral evaluation of McKinsey, BCG and Bain. Game-based on BCG and Bain. Game is a psychometric test used by KPMG. Candidates must nail over 75% of questions to be transmitted to the next round. This is the possibility of networks with KPMG professionals and acquire information about KPMG WORD LIFE. KPMG Final interview: these interviews with seniors and KPMG leaders, helping them to see through the personality, capacity and communication capabilities of candidates. KPMG Online test Pass Mark KPMG Online Test Online / Pass Mark Cutting Rate is reported for 75%-80%. Candidates ~ Answer, capacity to use the information provided will be used to determine their situational judgment and verbal and numeric reasoning reasoning. kpmg The recruitment process KPMG does not have a standardized recruitment process, but in general, the process in most of the Offices is basically the same with five steps: KPMG Online application: the online form will ask you to provide details about your education and any academic result, work experience and potentially some motivational questions, depending on the business area that applies to. KPMG Test Online: this test varies in sizes and knowledge requirements. You will have to register again for two minutes for each application with some kind of preparation before. CRITICIZE PLANNER: In this test, candidates are invited to participate in Microsoft Team meeting with other candidates, with the video turned on. Early finishing means nothing if you're wrong. And use your numerical and verbal capacity for other questions for reasoning. This test is not timed, but KPMG recommends spending about 90 minutes on it.
